

ON HALLOWEEN NIGHT

On Halloween, the stars shine bright. The kids go trick or treating.
The moon is full, the bats take flight and witches cackle greetings.
The cats are black, the ghosts are white, and the pumpkin patch is growing.
On Halloween each window has a candle that is glowing.
October is the spooky month for all you girls and boys.
And on each street on Halloween, the kids make lots of noise.
So go and fill your candy bags and have fun, if you dare.
But just one thing you must beware, - There's goblins everywhere!
