

Where Do I Go but to The Lord

Musik & tekst.: Tina Buchholtz

*Where do I go, but to the Lord
Where do I go, but to the Lord
Where do I go, but to the Lord, yeah.
When I'm sad, when I'm glad -
He'll be there for me.*

1. Some days are all in darkness,
and some are full of light.
Some days are wrapped in sorrow,
while others just shine with joy.

Tell me, tell me
how can I make it, how can I take it?
When I'm sad, when I'm glad -
He'll be there for me.

*Where do I go, but to the Lord
Where do I go, but to the Lord
Where do I go, but to the Lord, yeah.
When I'm sad, when I'm glad -
He'll be there for me.*

2. Some days my mind is shattered
and I can't see the light,
some days I'm all in sorrow,
but You give hope and joy.

Tell me, tell me
how can I make it, how can I take it?
When I'm sad, when I'm glad -
He'll be there for me.

*Where do I go, but to the Lord
Where do I go, but to the Lord
Where do I go, but to the Lord, yeah.
When I'm sad, when I'm glad -
He'll be there for me.*
